

Introducing Dark Autumn

INTRODUCTION:

The Dark Autumn palette is spiced, lush, textured, and opulent.

THE FEELING:

Imagine sitting atop a desert sand dune of ochre and gold overlooking a rare, verdant oasis while enjoying the last of a Moroccan sunset; or savouring a jammy Pinot Noir, rich with notes of plum, on a chilly afternoon in the comfort of a vintage, cognac leather club chair placed perfectly by a slow-burning fire of red-hot embers; or the shaded serenity of a waterfall deep in the woods pouring into a pool below, which is naturally coloured by the iron and tannins of the surrounding moss-covered rock.

COLOUR CHARACTERISTICS:

Hue: All colour families are represented in all seasons. Your best versions of red, yellow, green, blue, and purple are determined by the temperature, value, saturation, and intensity as follows.

Temperature: Warm Neutral; a hint of cool
Value: Medium to Dark
Saturation: High, Shaded (mixed with black)
Intensity: Deep, Rich

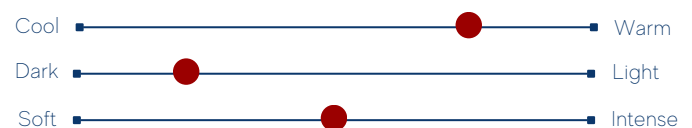

IMAGE:

High intensity, low to medium contrast, dark, dramatic, elegant, rich, and powerful

COLOUR CHARACTERISTICS TO AVOID:

Muted; Soft; Cool; Bright

JEWELLERY:

Metals in matte gold, antique gold, brass, copper, and bronze
Natural materials, such as wood, tortoise shell, pearls in cream
Gemstones in natural stones that blend with your colour palette
