

Introducing True Spring

INTRODUCTION:

The True Spring palette is cheerful, warm, clear, and lush.

THE FEELING:

Imagine the bliss of walking along a blond tropical beach before floating in the glimmering, clear turquoise water under a sky filled with bright sunshine; or the wonderment of finding your grandmother's hand-stitched quilt, crafted from bright squares of patterned aquamarine, Kelly green, and coral, all bound together with butter toffee ribbon; or the excitement of what's to come when happening on a robins' nest of tiny blue-green eggs nestled snugly in the hollow of a mossy tree trunk that draws your eye down to a bed of Golden Parade tulips.

COLOUR CHARACTERISTICS:

Hue: All colour families are represented in all seasons. Your best versions of red, yellow, green, blue, and purple are determined by the temperature, value, saturation, and intensity as follows.

Temperature: Warm; yellow undertone

Value: Medium to Light

Saturation: High, Tinted (mixed with cream)

Intensity: Clear, Pure, Lush

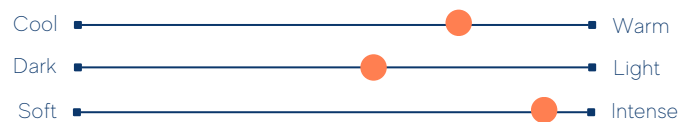

IMAGE:

High intensity, low to medium contrast, light, bright, fresh, youthful, and lively

COLOUR CHARACTERISTICS TO AVOID:

Muted; Cool; Black

JEWELLERY:

Metals in yellow gold

Pearls in ivory and cream

Gemstones in sparkly shades that blend with your colour palette
