

Personal Colour Pop-Up

Make your event positively prismatic! Whatever the occasion, Personal Colour Analysis adds a vibrant twist that everyone will rave about.

Guests have access to a complete and accurate analysis, including Colour Season, or a preview of the full spectrum. Either way, fun and self-discovery is guaranteed.

It's effortless! We come equipped to deliver a top-tier experience. Expect a full studio set-up, complete with professional equipment and lighting, an extensive range of colour drapes designed to showcase every possible reaction, and a fully-trained expert to give reliable advice.
